OUTDOOR CAMP	- August	2, 3, 4, 5, 6
SPLASH CAMP EXTREME	- August	9, 10, 11, 12, 13

BEFORE YOUR 1st DAY

1. KidCheck: www.kidcheck.com

We use KidCheck to ensure a quicker and safer check-in and check-out process.

Please register all of your campers by

clicking: <https://go.kidcheck.com/signin.aspx?action=register>

- Please select **Friendship Celebration Lutheran Church (Meridian, ID)** for "Where you will use KidCheck"

All information gathered in KidCheck is controlled by you. We do not save any of the information you provide to KidCheck. By sharing allergies, who is allowed (and not allowed) to pick up your children, and other important information it helps us to keep you family safe and provide a better experience at camp and the check-in/out process.

2. Snack

We provide two snacks every day at no extra cost to you (morning and afternoon).

During the afternoon snack we open up an additional snack bar where campers can purchase an additional snack for a small fee (\$0.25 to \$1.00). All snacks are peanut and tree-nut free. It is important that you let us know about allergies via KidCheck for snack time.

3. Sunscreen

We will provide sunscreen for campers on a daily basis if we will be spending time outside. We highly suggest that you put sunscreen on before they arrive (especially on water days – Fridays *weather permitting*). Please let us know (KidCheck) if your camper should not be using common sunscreen and provide a bottle of the sunscreen.

4. Lunch

Remember to send a lunch for your camper(s) that is clearly marked with their name (giving their grade level is helpful but not required). We do ask that campers not share

or trade food to minimize any allergy or germ issues. It is helpful if you have a conversation with your camper about this. We will have devotions at the end of every lunch that will reinforce the theme of the day and the Bible Story that we introduce every opening and closing.

5. Backpacks

Backpacks are encouraged to hold water bottles, extra clothes on water days, towels. They should be using in a backpack that is clearly marked with their name. (Please put your camper's name on everything. It is very helpful to have their name and grade level on the outside of the bag for check-in/out procedures) Be aware that we do not take responsibility for anything that each camper brings in their backpack. Everything that your camper brings to FCLC Summer Day Camp is at their own risk. If they do have electronics (including phones) we ask them to keep them in their backpack in order to keep them safe from damage/water/distraction. If you need to contact them during the day you can always call 208-288-2404 and we will get a message to them.

6. Health Information

Last year we ran all 6 weeks of Summer Day Camp successfully and we will apply what we learned into this year. Masks are optional for all campers and all staff. We will ensure that whatever your family chooses in regards for masks we will make sure your camper feels included. We will be having snacks and lunch in separate locations for each cabin group. (Cabin Groups are the campers that your child is put with based on student grade levels.) We also have installed motion sensor soap and towel dispensers, two motion sensor hand sanitizer stations, and an outdoor washing station. Also, in-between games/sessions/activities we will sanitize rooms and equipment. If your child is feeling ill, please keep them home for the day and/or until they stop showing symptoms and/or a fever. If your camper becomes ill while at camp, they will be sent to the nurse's station and you will be called to pick them up as soon as possible.

7. Lost and Found

We will provide tables for lost and found items at the end of each day of camp. We go through our entire facility each day and place any items we find into the lost and found. At the end of each week, we will gather all lost and found into a general lost and found box that can be searched by you upon request. (If it is an expensive item, we may keep it under lock and key.) On September 1st all Summer Day Camp lost and found will be donated.

CHECK-IN

Please attend Check-in with your camper each day and note that camp begins at 9:00am. We begin with an opening with our daily (Biblical) theme, games, prizes, and more! **Our drop off for camp begins at 8:30am.** If you need to drop off your campers before the 8:30am check-in time they will be added to the "Before Care" program for a small fee (unless you are already registered for Before/After Care). You will be given a name card for your vehicle for the check-out process. If someone else is picking them up, please make sure they are on the "allowed list"

via KidCheck and inform them that will need this “Name Card” (which we can provide them) for check-out. If you plan on picking your camper up earlier than 3:00pm, please let us know during check-in. We ask that all account be paid and current for the entirety of the week on the first day that your camper attends, and this should be done at check-in.

CHECK-OUT

Please note that camp ends at 3:00pm. We are doing a closing up until that time. During closing we end with our daily (Biblical) theme, games, prizes, and more! You may pick you camper up at any time from 3:00pm to 3:30pm. After 3:30pm all campers still not checked out will be moved to our “After Care” for a small fee (unless you are already registered for Before/After Care). If you intend on picking up your camper earlier than 3:00pm, please let us know during check-in. During check-out we ask that you stay inside your vehicle as we prompt you to drive through our pick-up line. Place the “Name Card” in your window and we will bring your camper(s) to you. Please keep your “Name Card” for the entire week. We will have a place for you to park if you have questions or if you want to check the lost and found. Once your camper is secured, we ask that you plan on **turning right only** out of our parking lot. This will be safer and save time for everyone behind you.

Please let us know if you have any changes that you need to make, or if you have any questions. Thank you for making Summer Day Camp a part of your summer plans.

See you this summer!
